MEMORANDUM FOR: ASSISTANT DIRECTOR FOR POLICY COORDINATION
CHIEF, PLANS AND OPERATIONS
CHIEF, EASTERN EUROPE DIVISION

SUBJECT: Newspaper Article

25X1A

1. The attached is a copy of a document which was given to me by [redacted] who got it from OSI. Someone in OSI told him that one copy had gone to [redacted] in OGO and one copy had gone to the Director. [redacted] told me that the matter was known to [redacted] who is anxious to know what action, if any, we propose to take. I have called the matter to the attention of ADPC who is apparently of the view that the article is the result of a Congressional leak.
